

Alcohol and Drug Counseling, AAS

Academic Year 2024-2025

Program Description:

The Associate of Applied Science in Alcohol and Drug Counseling offered by Mountwest is designed to prepare students for credentialing in the Alcohol and Drug Counseling profession.

In West Virginia, the West Virginia Certification for Addiction and Prevention Professionals (WVCBAPP) governs the certification of the Alcohol and Drug Counselor (ADC) credential. This credential requires six years and six thousand supervised hours of practice to obtain. The AAS trains students in Alcohol and Drug Counseling through academic work and field experience. Upon completion of the AAS, students will have logged experience that counts towards the WV ADC credential and will be aware of expectations and timeline to achieve the credential.

Career Outlook and Salary Forecast:

For the most current information, please refer to the Bureau of Labor statistics "Occupational Outlook Handbook" found at www.bls.gov/ooh/.

Program Outcomes:

- Distinguish between different philosophical approaches to understanding and solving the problem of substance use
- Summarize a variety of treatment options for substance use disorders
- Assemble information regarding ADC credentialing in their respective jurisdiction
- Use motivational interviewing to enhance the likelihood of successful change
- Screen for substance use and co-occurring disorders
- Make appropriate referrals for treatment and other human services

Program Admission Requirements:

The College adheres to an open admission policy which means applicants with a high school diploma or a GED are eligible for admission. Applicants with neither a high school diploma nor a GED may be admitted on a conditional basis.
