- Have a 3.0 or higher cumulative grade point average on 4.0 scale.
- Filed the Free Application for Federal Student Aid (FAFSA)
- Be enrolled at Mountwest Community & Technical College.
- Show demonstrated financial need, as determined by the Office of Financial Aid.
- Eligible to work full time in the U.S, on an indefinite basis.

Additional Information

It is the intent that all funds be distributed in scholarship; however, it is recognized that instances may occur when sufficient candidates that meet the criteria set forth above are not available. When that situation occurs, the following hierarchy should be followed in completing distribution of funds:

1. Meets criteria with the exception of availability for an internship but has demonstrated financial need.
2. If none of the above situations satisfy full use of the funds, the funds should be rolled over to the next academic year with the intent to award scholarships.

The scholarship program will provide up to \$1,500 scholarship for each student selected for the program. The intent is to award the full amount; however, awards less than the maximum amount can be made for accommodation of financial assistance requirements but no less than \$500 per individual. In conjunction with the scholarship, each recipient may receive an offer of an internship for the following summer or another break in College attendance.

How to Apply:

- Go to <https://www.mctc.edu/paying-for-college/scholarships/> and submit the on-line application.
